**HUMANA**  
PEOPLE TO PEOPLE

Communities are **where we create and live our lives.**

A community is not only a place; it is the **social bonds, culture, shared values, history, and sense of belonging** that allow us to make meaning.

# Sustainable Agriculture and Environment throughout Humana People to People

**1 million**  
people reached

**450**  
project units

**188,617**  
smallholder farmers

**15**  
countries

***Smallholder farmers hold the key to sustainable solutions.***

Smallholder farmers are not just food producers; **they are the pillars of rural food systems and guardians of our biodiversity.** Investing in their success is a moral obligation and a sound survival strategy.

**10.3 million**  
people reached

**631**  
project units

**12**  
countries

***Humana People to People health projects focus on the biggest health challenges: Total control of the HIV epidemic; fighting the spread of TB; taking part in eliminating malaria; and improving nutrition.***

In the countries we focus on, preventable diseases are often not being prevented, and curable diseases are frequently not cured.
